6. Call to the Public

Mike Witt, who is a barber with thirty years of experience spoke to the Board. He is concerned SB 1130 will have a negative impact on the field of barbering. This bill involves letting the Board of Cosmetology introduce a new license "Hairstylist". He is concerned that:

- If this bill is passed, it will lead to the barber hours required now (1,500 hours) being reduced also.
- He did not feel the amount of hours required by Cosmetology was adequate for such a complex skill.
- He is afraid this would trickle down to Arizona barbers being unable to do chemical procedures.
- If there is a reduction of hours for barbering, it will impact the skills and competency of future barbers and impact their earning potential.
- If the scope of barbering is shortened, it will benefit the chains because their pay is lower than independent barber earnings.
- If the scope or hours of training are reduced, barbers will lose many of the states with which they currently have reciprocity.
- He was especially afraid that a reduction of hours would result in his own training reflecting the new hours and he would "lose hours".

The Board invited Mr Witt to return to the next meeting and be placed on the next Agenda so they could discuss this matter with him.

- b. In reference to the July 11, 2016 meeting where it was reported that the Board may direct citations to owners of barber shops and schools, Staff is now going on the offensive with regard to school fines. We are holding school owners responsible, just as we do shop owners.
- c. Having the exams on a monthly basis still seem to be working.
- d. Deloitte was selected as the vendor for E-Licensing of regulatory boards. They have selected 13 of the 34 Boards to work with first in developing individual pilot programs. We are among the thirteen.
- e. Update on the consent agreement and informal interview backlog.

Mary Jane Jones brought a problem to the Board. There is a large time gap between the date of approving a consent agreement and the fact that she still has not been able to send those consent

agreements to the licensees. She would like to know if the Board wishes to put some of these cases into a dismissed status for staleness.

Mr Lewis would like have an item put on the Agenda in regards to getting someone to help with this problem. Sam Barcelona suggested an internship or volunteer assistance.

Mr Barcelona added that there has been a growth in our numbers. Ms Jones gave the Staff credit for taking a lot of the daily load from her. She reminded the Board there was a huge increase in the legal load when fining violations by barber as well as by owner was initiated.

Mr Roberts wants this researched and put on the next agenda.

13. Discussion of items to be placed on a future meeting agenda.
